trans-fix
liquid
transformer

TRANS FIX liquid transformer
a water based liquid that intensifies the
colour of your shadow, dries quick and
instantly transforms any powder eye-
shadow into a long lasting,
semi permanent eyeliner...
dip eyeliner brush into liquid and glide on
eyeshadow. Apply to eyelid for a
smoldering gorgeous look...

Runway Report

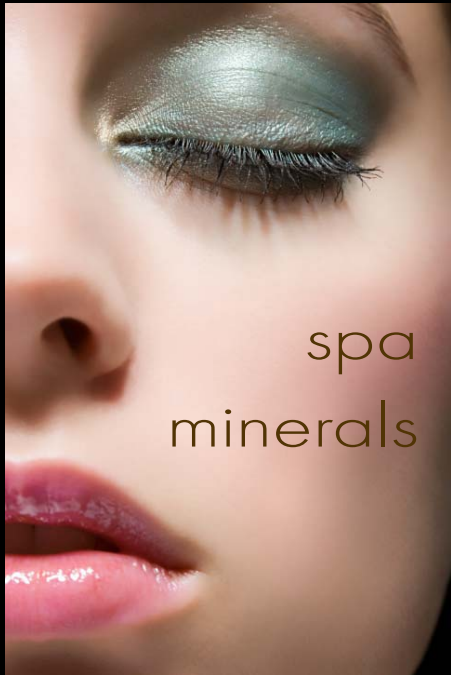

The glamour lip and the Cat Eye. Pick a colorful cat eye. Take a twist on smoldering...violets, teal, navy and make smoking eyes. Start with darker colour on lash line, blend upward using lighter shades. Accent with black liner and lots of mascara

4 new waterproof mechanical eyeliners, 1 new eyeshadow
